

HOW TO TAKE AN ONLINE STUDY WITH KARI DENT

I would love to have you join our online class. The first thing you need to do is contact me through email and let me know you want to join. I will add you to my email list which will enable you to receive the links for the video each week. My email is karikingdent@gmail.com. PLEASE be sure to add me to your address book so that the email does not go to your spam folder.

If you join our class, you will need to order a book. There is a link on the Current Bible Study page that will allow you to order the book. (*Precept Upon Precept* workbooks are available only from Precept Ministries.)

You will do your lesson each week and then you have 2 options:

(1) You can listen to the audio of our unedited class discussion on my website, or you can download it to your mp3 player or phone and listen whenever it is convenient for you. **Wearing headphones while listening is highly recommended and helps hear everyone's comments better.**

(2) You can watch a video of the class on YouTube. Each week you will be emailed a link that will enable you to watch the video. However, you MUST be on my email list to receive this link.

***Please note that both the audio and video class discussions are RECORDED and are not live. They will be available for listening/watching AFTER the class is completed. They will be uploaded to my site and available to you usually by Monday, barring any technical difficulties.**

If you decide to take the next study with us, please let me know so I can add you to my email list.

The steps to taking a class are listed below. Please let me know if you have any more questions by emailing me at karikingdent@gmail.com.
